Athletics Department Apparel Policies

The Haverford School Athletics Department will continue its uniform requirement policies (implemented last year) for Upper School interscholastic athletic teams and physical education classes. These changes were implemented for the sake of uniformity and inclusivity. We strive to have all of our athletic teams look their very best, both in training and in competition. We also desire to make sure that as much as possible, the School provides the boys with the required gear necessary for any sport they choose to play, without the requirement to spend additional money for that gear. To help illustrate our policy, it is first helpful to define some important terms:

**General Issue Athletic Apparel** – This term refers to apparel that will be provided by the School to each Upper School student at the beginning of the School year. This apparel is the approved practice wear for all Upper School teams. If additional practice apparel is required, in most instances it will be provided by the School.

**Team Uniform** – This term refers to the official uniform that a boy will wear when competing for a Haverford School athletic team. The majority of team uniform items are provided by the School. If there is an additional uniform item that is required for a player to purchase, it will be listed on the Athletic Uniform & Equipment Chart available on the athletic apparel policies page of the School website at [www.haverford.org/apparelpolicies](http://www.haverford.org/apparelpolicies).

**Required Athletic Equipment** – This term refers to equipment that is necessary for a boy to participate on an athletic team. This equipment may or may not be provided by the School depending on the sport. Detailed information is listed on the Athletic Uniform & Equipment Chart online at [www.haverford.org/apparelpolicies](http://www.haverford.org/apparelpolicies).

**Spirit Wear** – This term refers to any and all apparel that is sold through the FORDSSStore. This apparel is purchased at the discretion of families. Spirit wear is NOT required for participation on a team. It is the coach’s discretion as to whether or not he or she will allow an athlete to wear this gear to a team practice. Please check with the head varsity coach of that sport for his/her policy.

**General Issue Athletic Apparel Policy**

Every Upper School boy will be issued one of each of the following items in the fall (prior to the start of school): short-sleeved T-shirt, long-sleeved T-shirt, shorts, "hoodie" sweatshirt, and sweatpants. The intention is that each boy will be provided with everything that is required for practice in any sport in which he chooses to participate. If a boy loses an item of his General Issue apparel, he will be able to purchase a replacement at the FORDSSStore.

- Students will be able to purchase additional General Issue apparel items from the FORDSSStore.
- The General Issue pieces are the official practice gear for all Haverford School athletic teams. If additional athletic apparel is required (i.e. a reversible pinnie), it will be provided by the School.
- No one should be solicited to purchase additional practice gear.

**Team Uniform Policy**

The Haverford School Athletic Department will issue all required uniforms for all athletic teams. Most uniforms that are issued will remain the property of The Haverford School, and students will be required to return them at the end of each athletic season. Some uniform items (i.e. swimsuits) will be kept by the student.
• No student will be responsible for purchasing his own uniforms for any sport.
• No one should be solicited to purchase additional required athletic uniforms.
• A uniform may consist of apparel items and athletic equipment (i.e. football helmet).

**Athletic Equipment Policy**

The Haverford School Athletic Department will issue athletic equipment in some sports, but may not issue it in others. There are multiple factors that determine the decision as to whether or not the School will provide athletic equipment in a particular sport. For a list by sport detailing what athletic equipment is provided and what must be purchased, see the Athletic Uniform & Equipment Chart online at [www.haverford.org/apparelpolicies](http://www.haverford.org/apparelpolicies).

• Assistance may be available to help a student purchase athletic equipment needed to participate in a particular sport. Contact the team’s head coach or the Director of Community with these requests.

**Spirit Wear Policy**

All spirit wear sales are handled through the FORDSStore. The FORDSStore has certain “stock” items available in the store, some items will be offered online, and other items will be offered during special “Preorder Offerings” occurring on a biannual basis.

• Spirit wear purchases are NOT required for participation on any athletic team at the School.
• Spirit wear items are great for the boys to have to show their school/team spirit, but they are not required for participation.
• Spirit wear sales will be open to the entire School community.
• Students may be permitted to wear customized spirit wear items to team practices, but only at the discretion of a team’s head coach. Please check with the head varsity coach of that sport for his/her policy.

**Team Store Policy**

There will no longer be individual Team Store offerings. All of this type of apparel will be handled through the FORDSStore retail team.

**Policy on Solicitations for Purchases**

It is not permissible for students, coaches, or parents to arrange orders or produce apparel or equipment for a given team, regardless of the nature of the apparel/equipment, and solicit payment for the items.

**Donation Policy**

Should an individual or group of individuals wish to donate apparel or equipment to a team, the following conditions must be met:

• The Director of Athletics must be notified in advance of the intended donation and approve the request.
• In order to ensure consistency of brand, the School must be involved in the design of the item(s) and provide final approval of the purchase.
• The Haverford School’s Development Office must be notified so that the individual(s) can receive proper recognition for the gift.
• *If these procedures are not followed*, the team will not be permitted to wear the apparel or equipment.

**Questions?**

If you have questions or concerns about our new policies, please contact Associate Director of Athletics Michael Murphy at mmurphy@haverford.org or 610-642-3020, ext. 1909.
