

THE HAVERFORD SCHOOL

I am my brother's keeper.

As a member of the Haverford School community, I am a man of integrity who embodies respect, honesty, and courage.

I recognize my responsibility to care for, respect, and support all members of the Haverford community by practicing empathy, kindness, and compassion.

If I learn of or witness mistreatment of others, including incidents of bullying, prejudicial behavior, and hateful language or actions, I will report those incidents to my Division Head, Dean of Students, and/or email equity@haverford.org.

THE HAVERFORD SCHOOL

I am my brother's keeper.

I will bring any concern about a fellow student's drug or alcohol use, or concerns about a student's possible self-harm, to the attention of my Division Head, Dean of Students, School Counselor, or another trusted member of the faculty.

The School will not pursue any disciplinary action, but instead will bring the information to the student, without naming its source, and will provide him with the resources and support he might need.

In a medical emergency, call 911.
For support, call our School
Counselor at 484-417-2715.
